

Acknowledgment of Shipping Charges for Allmoxy and ClosetPro Orders

Dear Valued Customer,

We appreciate your business and would like to bring to your attention an important aspect of our ordering process. **Shipping is free** on Allmoxy and ClosetPro **orders totaling \$3,500.00 or more** (before tax). For orders under \$3,500.00, shipping charges are not included and will be billed separately. This document serves as an acknowledgement of our shipping policy. Kindly review the following information carefully before proceeding with your purchase.

1. Shipping Charges:

Allmoxy and ClosetPro orders under \$3,500.00 do not include shipping charges. Shipping costs will be calculated separately based on the destination and dimensions of the shipment.

2. Free Shipping for Orders \$3,500.00 and Over:

We are pleased to offer free standard shipping on orders totaling **\$3,500.00 or more (before tax)**. This applies to a single order shipping to one location. Please note the overlength fee described below still applies to qualifying items even on orders that receive free shipping.

3. New Invoice for Shipping Charges:

If your order total is under \$3,500.00, a separate invoice will be generated to cover the shipping charges. This invoice will be sent to you for payment before your order ships.

4. Shipping Quotes:

Shipping quotes are available upon request before placing an order. We encourage you to reach out to our customer service team to obtain a shipping quote for budgeting purposes. This will allow you to plan accordingly and avoid any unexpected costs.

5. Overlength Fee:

A \$250.00 overlength fee applies to any item measuring 97 inches or longer, regardless of carrier. This fee is never absorbed by Closet Parts and applies even to orders that qualify for free shipping (\$3,500.00 or more).

If you have any questions or concerns regarding shipping charges, please contact our customer service team at Sales@ClosetParts.com

Thank you for choosing Closet Parts. We look forward to serving you!
